

We pray for God's grace to give away 1,000,000 coloring books by the end of 2018

We have written grant proposals for nearly 300,000. This year we hope to sponsor giveaways in Ohio, Pennsylvania, Illinois, Indiana, New Jersey and California. The key is funding. We have submitted 200 proposals in these six states. Hope you might pray for favor with the foundations. All the books will be distributed free by the Salvation Army/

Our main website www.bibleparent.com is over 40 years old. It very badly needs a complete recoding job...basically replaced. Hope you might pray for the right folks to do the job. That the finished product is attractive and easy to use.

We are pretty ignorant of this and need to trust God and your prayers to get the right folks for the job.
