

Pray that my acid reflux does not stop me from attending an international summit of Child Evangelists in Singapore?

The stomach trouble has been hanging on for over two years. Hope you might pray it does not trouble me overly much from March 6-March 20. Attending the Summit was suggested by friends so I am not sure what to expect.

Generally speaking I am more comfortable at a typewriter or a podium than simple fellowship. Hope you might pray I am able to keep in tune with the Holy Spirit. I am really not sure why I am going just that it seems to be God's guidance.
