

# Project Pray 2010

Take this request to your churches Prayer Chain???

**Pray for my brother Phillip...** For four years he has not shared his “memory” problems with anyone in the family. We did not know that was why he retired early. We did not know about his MRI. His Doctor told him he did not think it was Alzheimers but the problem is getting worse and he often cannot remember a simple word like “ribbon”. Hope you might pray for healing and comfort whether it is Alzheimers or some kind of medication reaction. Pray too for his salvation. He is a lonely soul.

**Hope you might continue to pray for my Mother Dorothy as well.** She continues to have trouble with her blood pressure being too low in the morning and too high at night but the main problem is that her mitral valve seems to be leaking. The Doctors do not want to operate and say that sometimes...with rest...the valve will heal itself. Hope you might pray for the valve but also for the blood pressure problems and the vision in her right eye?

## **Prayer for myself and for “Pocket Scriptures”.**

This next generation of children need MORE than a lukewarm faith. I believe very much that God’s word ON DISPLAY in their homes and a Bible Verse in their pocket are the LEAST parents can do. Could you pray God strengthen me and help me find others to SHARE the Dream especially Christian Radio Stations and Magazines. I no longer have much time to write articles but feel a great need to somehow share “Pocket Scriptures” with as many families as possible.

I hope too you might pray for my hands. It has been well over a year and in spite of three visits to the dermatologist they are getting worse and worse. The skin turns red and brittle and then cracks open and all I can do is soak them in water and glue the cracks closed with crazy glue. I need God’s healing but also guidance in choosing the right Doctor.

My favorite author Charles Spurgeon says that “The best way to see others saved is to let God save you utterly and completely.” Could your church pray this for me?..... and that I am not so torn between my concern for my brother and mother and “Pocket Scriptures” ? **We have over 500 churches signed up for our free childrens bulletin insert but I pray so much that SOMEHOW it would capture the imagination of the country?**

Thank you for praying for my mother Dorothy, my dream and for me...Charles White
