

**One thing we should all know about praying.
We can ask...we can't
demand our own way or tell God what to do.**

Teach us to Pray 2007

Take this request to your churches Prayer Chain???

FOR OUR DREAM In October we hope to distribute 50,000 free Lord's Prayer Coloring Books to inner city families in Chicago. We have received a matching funds grant for \$4,400 and are **being considered for additional funds by: The Chatlos Foundation, The Hendrickson Foundation, The Lampstand Foundation, The DeMoss Foundation and a Dare to Dream grant from FKO (For Kids Only).** Could you pray for **FAVOR with the trustees of these foundations?**

If you know of a church or individual willing to INVEST \$4,400 to SOAK Chicago (or the city of their choice) with 10,000 Lord's Prayer coloring books could you have them email me: word@homewordnow.com or Write to Teach Us To Pray, P.O. Box 8094, Topeka Ks., 66618. I have invested 30 years in this dream and hate to give up now. So far we have made almost \$500 from selling CD's but we are a very long way from our target. SMALLER DONATIONS ARE CERTAINLY APPRECIATED.

Personal Prayer Requests:

1. Pray God's healing for my mother Dorothy. Her blood pressure/circulation though somewhat under control BUT still life threatening, make her feel depressed, and interfere with her sleep.

2. The main thing is my attitude. I have been at this project for 30 years and I get discouraged, weary and recently far too irritable. Pray that God send some others to share the dream, maybe help me find a weeknight Bible Study or Prayer Group. I miss the one I used to attend but everyone died or left and I have yet to find another that lasts more than a month or two?

3. Secondly is my health. Each morning I wake feeling nauseous with a twisting feeling around my right eye. I fear it could be something serious like an aneurysm but can't afford to go to the Doctor. Could you pray for God's healing *both physical and spiritual.*
