

**Our  
Father**

**Who art  
in Heaven**

**Hallowed be  
thy name**

**Thy kingdom  
come**

**Thy will be done  
on earth as it is  
in heaven**

**Give us this day  
our daily bread**

**And forgive us  
our trespasses**

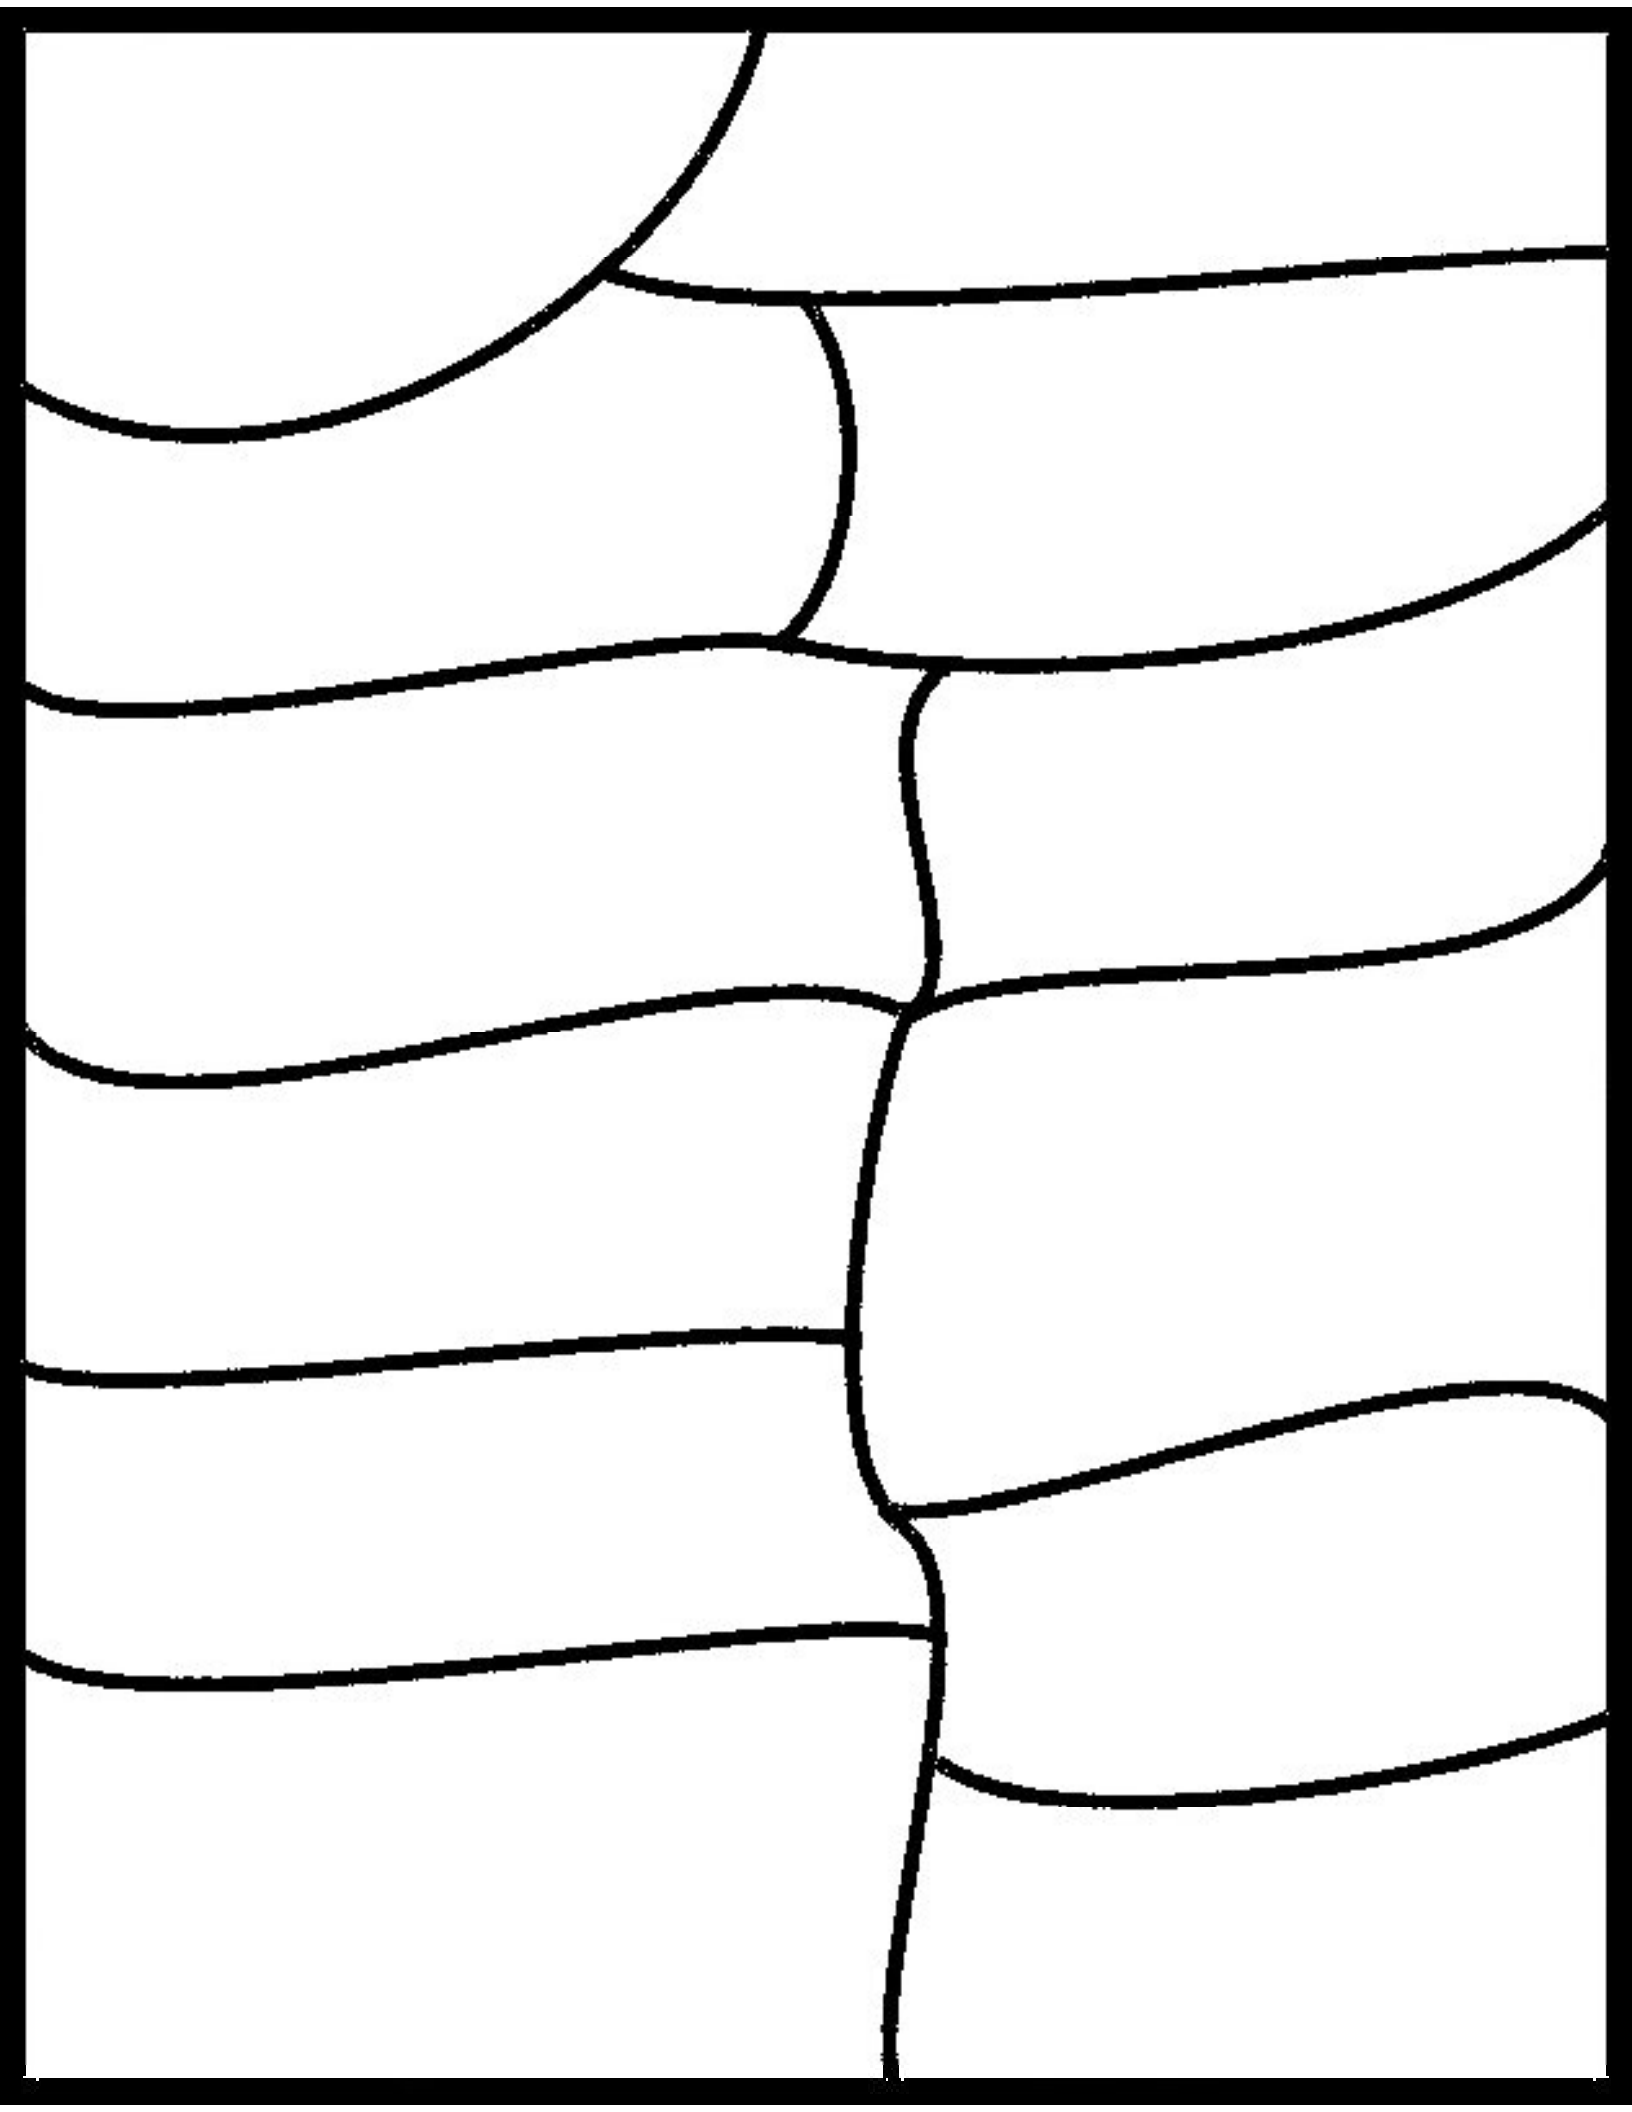

**As we forgive  
those who  
trespass  
against us**

**Lead us not into  
temptation**

**But deliver  
us from evil**

**For thine is the  
kingdom and the  
power and the  
glory forever**

**Amen**

# Project Pray 2010

**Could your church's prayer chain pray for just ONE of these requests?**

**For me personally (Charles White):** Hannah Whithall Smith in her book "The Christians Secret to a happy life" says: "There is no such thing as an irritable Christian." I hope in my case she is wrong...but I suspect not. *Could you pray for God's grace to trust him with EVERYTHING.* This prayer is not just for my work on Project Homeword but my own personal peace. I have worked on this project/dream for nearly 30 years and SHOULD have learned to trust God instead of laboring in my own strength and then getting grouchy but I seem to be a slow learner. Thanks for praying...for the irritability...for sleeplessness and for grace to trust God instead of myself and others.

**For the future of Project Pray...**for God's guidance in reaching as many young parents as possible. We no longer have funding to give away free coloring books and visitors to our site are not forwarding our slide show as we had hoped. We pray for some way to capture the imagination of the country and keep the Lord's Prayer a part of our children's heritage.

**For my Mother Dorothy White:** My mother's problem is poor circulation and high blood pressure both of which are affecting her heart muscle. The Doctors have found a good combination of medications but she may not be able to continue taking it because it seems to be preventing the heart muscle from relaxing between beats. This causes a lot of problems. Could you pray for a miracle for her...healing of the muscle in her heart? She is a dear dear lady and misses my Father so very much.

**Your prayers for HER, for me and for Project Pray would be much appreciated.**
